

Item 7113930

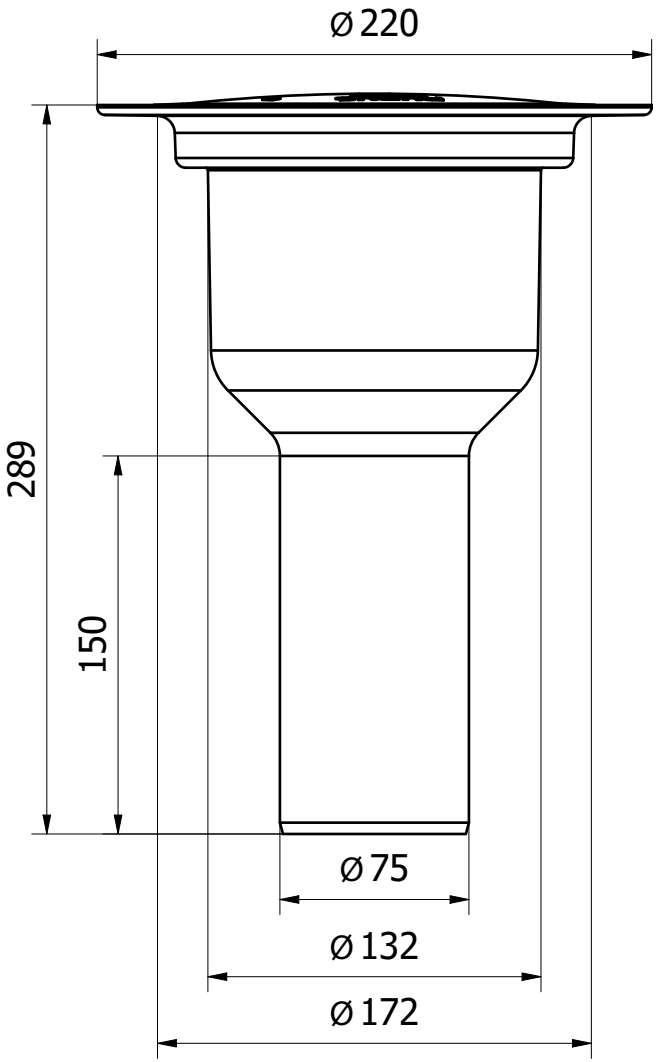

The Brage 75 Vertical floor drain has a 75mm vertical outlet and is designed for installation in wooden joists or concrete floors. The Brage floor drain comes complete with a removable water trap, clamping ring and plastic grate. It also comes with a protective cover that is intended to prevent any concrete or debris from entering the drain during installation.

The automatic self-adjusting clamping ring is used for both waterproofing membranes and vinyl flooring with a thickness of 1.5mm to 2mm.
