

Item 53322

The Purus Line Living Plus 900 is a complete floor drain for vinyl flooring with a Chess grate and Low horizontal 50 mm outlet floor drain. It can be installed in concrete joists. The Purus Line Living Plus linear drain comes with a removable NOOD water trap, stainless steel clamping ring, stainless steel patterned Chess grate, 50 mm to 1½" UK adapter for solvent welding and a concrete installation kit. The NOOD water trap is a mechanical trap which closes when there is no water present, thus preventing any foul air from escaping through the drain. For wooden joist installations, a 600 or 800 drain should be used with a Linear Self-Supporting Wetroom Former Tray.

Specifications

Item Number	53322
Floor Construction	Concrete flooring
