

## Item 52741

The Purus Line Living 600 is a complete floor drain with a Twist grate and gable 50 mm outlet floor drain. It can be installed in wooden or concrete joists. The Purus Line Living linear drain for tiled floor finishes comes with a removable NOOD water trap, stainless steel patterned Twist grate, 50 mm to 1½" UK adapter for solvent welding and installation kits for both wooden joists and concrete joists. The NOOD water trap is a mechanical trap which closes when there is no water present, thus preventing any foul air from escaping through the drain.
