PURUS

Item 52777

The Purus Line Living 800 is a complete floor drain with a Drop grate and Low horizontal 50 mm outlet floor drain. It can be installed in wooden or concrete joists. The Purus Line Living linear drain for tiled floor finishes comes with a removable NOOD water trap, stainless steel patterned Drop grate, 50 mm to 1½" UK adapter for solvent welding and installation kits for both wooden joists and concrete joists. The NOOD water trap is a mechanical trap which closes when there is no water present, thus preventing any foul air from escaping through the drain.
