

Item 812283

V130 Toilet in stainless steel, for floor-standing installation. The V130 has a 110mm diameter outlet and comes with an installation kit. It is practical for environments where high strength and hygiene is required, such as in public toilets, leisure facilities and restaurants. It cannot be dismanted without special tools, making it also suitable for use in high security areas. The toilet seat and installation accessories are not included.

Item 812284

V130 HCP Toilet with cistern in stainless steel, for floor-standing installation. This toilet is adapted for disability access with a 60mm increase in seat height. The V130 HCP has a 110mm diameter outlet for floor S-lock and wall P-lock, and comes with an installation kit. It is practical for environments where high strength and hygiene is required, such as in public toilets, leisure facilities and restaurants. It cannot be dismanted without special tools, making it also suitable for use in high security areas. The toilet seat and installation accessories are not included.
