

## Item 7152481

Tor 50 side untrapped floor drain has a 50 mm side outlet and is for installation in concrete joists. The Tor untrapped floor drain comes complete with a clamping ring and plastic grate. It also comes with a protective cover that is intended to prevent any concrete or debris from installation from entering the drain.

The automatic clamping ring is used for both sealing membrane and vinyl flooring. It is a self-adjusting clamping ring for vinyl flooring with a thickness of 1,5 mm to 2 mm.
