

PURUS ANTI-LIGATURE 59mm S-SERIES FLOOR GULLY

Super low-level floor gully with stainless steel anti-ligature grate

Suitable for installation into vinyl floors

Purus' Anti-Ligature 59mm S-Series floor gully has an anti-ligature grate and is designed for use in health and care facilities with higher security requirements, as well as in prisons. It has a super-low profile of just 59mm and includes a NOOD no-odour water trap to ensure any foul smells are not omitted through the drain.

It can be installed into vinyl floor finishes and comes complete with a specially designed clamping ring.
